What Is Yuja Niacin 30 Days Brightening Starter Kit?

Travel-sized set of Yuja Niacin products comprises toner, serum, gel cream and sleeping mask, all infused with yuja extract as well as glutathione and arbutin for a bright, wrinkle-free finish. The toner contains 90% yuja extract to moisturize skin. The serum is infused with 82% yuja extract, which absorbs quickly into skin. The gel cream contains 90% yuja extract for moisture. The sleeping mask hydrates and nourishes skin with a potent cocktail of 70% yuja extract.

Brightens up skin with Glutathione and Arbutin.

How Yuja Niacin 30 Days Brightening Starter Kit Works?

A dual functional set that works at Whitening + Anti-wrinkle. These products contain a brightening ingredient such as Niacinamide, and Yuja from the uncontaminated area of Goheung, Jeollanam-do, in South Korea. It also contains vitamin C with other 12 good vitamins, antioxidants, lotus flowers, and no harmful chemical ingredients. The vitamin C nourishes and brightens, Yuja extracts glow and moisturize, while lotus soothes and softens the skin. The ingredients also improve skin elasticity & moisturize it, while reducing the dark eyes circles, blemish & dryness.
