About us

Ageless Zen is headquartered on the Nevada side of the beautiful Lake Tahoe, more than 6,000 feet above sea level. The crisp mountain air that surrounds this pristine lake is filled with hints of cedar and pine — which consistently reminds us to trust in the power of nature, while inspiring us to continue using research-based science to create products to effectively balance both.

Our Products

Men's Ruggedly Handsome Aftershave

AgeLess Zen's Ruggedly Handsome and Smooth Aftershave is a functional yet invigorating after shave lotion for men. Simple, smart, and easy: it helps soothe and smooth the skin by conditioning and restoring moisture, reducing the lines and wrinkles brought on by harsh environmental elements.

Modern Man Face, Body Wash & Shampoo

Modern Man Face, Body Wash & Shampoo is a powerful 3-in-1 solution designed to wash away sweat, dirt, and excess skin oils, while rejuvenating and energizing your skin. This versatile formula functions as an effective face wash for men and a natural body wash for men, combining performance with simplicity.

AZ VIP Preferred Customer

After cleansing skin thoroughly each morning, while skin is still damp, apply 2-4 pumps (+/-) to your face and neck. Lightly massage into skin until absorbed. First Time Use of this Product: Test with other products you will be using together in a small area to ensure product compatibility.
